

## InfoSec Guide: How to Report Fraudulent Email (report to [abuse@un.org](mailto:abuse@un.org))

1. From your **Lotus Notes Inbox**, open the message in Lotus Notes (double-click on the message in the Inbox)
2. Click **“View -> Show -> Page Source”** to open the code (this option is only available for messages received from external sources)

3. Click **“Actions – Forward”** to send the message to [abuse@un.org](mailto:abuse@un.org)

Visit [infosec.un.org](http://infosec.un.org) for additional resources and guides
