United Nations Human Settlements Programme presents its compliments to the Permanent and Observer Missions to UN-Habitat and has the honour subsequent to the letter from the Chair of the CPR dated 13 December 2017 sharing documents on the strengthening of UN-Habitat, to forward the following additional documents by link:

In-depth Evaluation of UN-Habitat (E/AC.51/2005/3).

Medium-Term Strategic and Institutional Plan 2008-2013.
Result-based Framework (HSP/GC/21/5 of 27 February 2007).

Corrigendum to page 22 box 7 (HSP/GC/21/5/Corr.1 10 April 2007).

Peer Review of the Implementation of UN-Habitat’s Medium-Term Strategic and Institutional Plan (August 2010).

This second batch of documents is very significant in the sense that Members States will now have a complete history of first phase of discussions on UN-Habitat governance reform.

In summary, it began with the Office of the Internal Oversight Services In-depth Report of 2005 to which UN-Habitat responded with the MTSIP and subsequent governance discussions. That first phase resulted in creating the Working Group on Programme and Budget in 2017.

The second phase of the discussions on the governance of UN-Habitat is now based upon resolution A/C.2/72/L.67.

United Nations Human Settlements avails itself of this opportunity to renew to the Permanent and Observer Missions to UN-Habitat the assurance of its highest consideration.
